Contract No. 9500406
Construction Manager-At-Risk Services
Terminal Development Program
for
Dallas/Fort Worth International Airport**

The Dallas/Fort Worth International Airport Board (DFW) intends to select a firm or firms to provide Construction Manager-At-Risk Services for the Terminal Development Program located at the Dallas/Fort Worth International Airport. More than one firm may be selected.

You are hereby invited to submit ten (10) copies of your organization's Qualifications. The qualifications and other information should be submitted in strict compliance with the directives provided in the Request for Qualifications (RFQ) documents. The RFQ will be available for pickup from the DFW Airport Development and Engineering Department, located at 3003 South Service Road, after 11:00 AM, "CST", on October 20, 2009. Contact Cathleen Baulisch at 972-973-1716 to have the RFQ documents mailed or sent via overnight delivery service to your firm at your firm's cost.

A PRE-QUALIFICATION CONFERENCE will be held at 10:00 AM, "CST", October 27, 2009, at the ADE Building, located at 3003 South Service Road, Dallas/Fort Worth International Airport, Texas.

The STATEMENT OF QUALIFICATIONS documents (your organization's Qualifications) are due to 3003 South Service Road, by 11:00 AM, "CST", on November 16, 2009. NO LATE SUBMITTALS WILL BE ACCEPTED. All submittals will be publicly opened and the names of the offerors will be read aloud.

The Qualifications will be reviewed for conformance to the Preparation Instructions outlined in the RFQ and evaluated based on the criteria contained therein and in accordance with Texas Local Government Code 271.118, utilizing a two-step process.

The Airport may request that five or fewer offerors provide additional information, which will be due by 11:00 AM, "CST" on Monday, November 30, 2009. All submittals will be publicly opened and the names of the offerors, and any fees and prices, will be read aloud.

It is the policy of the Board to increase D/M/WBE involvement to the maximum extent feasible. In furtherance of this policy, the Board has implemented the D/M/WBE Program. The successful organization will be required to demonstrate, through a written narrative, its efforts to involve and utilize D/M/WBE's at the recommended goal levels. This project has a goal of twenty percent (20%) of the total dollar value of the Base Contract(s), including any Change Orders, and thirty-five percent (35%) of the total dollar value of all Supplemental Agreements, including any Change Orders.
