**DFW AIRPORT STATEMENT ON HOMELAND SECURITY
BILL VOTE ON TSA BAG SCREENING DEADLINE**

July 26, 2002

DFW INTERNATIONAL AIRPORT, Texas (July 26, 2002) — DFW Airport wishes to thank the Texas delegation and the bi-partisan lawmakers who worked hard on behalf of the nation's airports and air travelers to assure baggage screening is done correctly the first time.

Today's vote is a major step towards ensuring that travelers across the country are not faced with unprecedented lines on December 31, 2002, with an interim baggage solution that wastes taxpayers' money, and with an arbitrary deadline that may replace one security threat with another.

We still have more work to do as the nation's airports continue to educate and inform lawmakers and the traveling public about this issue. DFW Airport, along with other airports across the country, remains committed to working with the Transportation Security Administration (TSA) in their efforts to enhance security for the traveling public.
