**DFW INTERNATIONAL AIRPORT HOTLINE COMMUNICATES
SECURITY INFORMATION AND FREQUENTLY-ASKED
QUESTIONS FOR THE PUBLIC**

DFW INTERNATIONAL AIRPORT, Texas (April 18, 2003) – DFW Airport has an easy to remember **hotline number** to keep travelers updated on security measures.

The number - **972 574 INFO (4636)** - will relay the latest security information and travel tips. It will be updated as needed.

DFW introduced the number to assist all travelers that want to know basic information to prepare for their trip to the Airport.

The Transportation Security Administration has notified DFW Airport that it may re-open its 1,200 one-hour parking places near all four terminals and cease vehicle inspections. The Homeland Security Department has lowered the terrorist threat level from Orange to Yellow, prompting the move.

Vehicle inspections are also being discontinued, however, vehicles are still subject to search as deemed appropriate by DFW Department of Public Safety.

While the step down to level yellow is good news, DFW continues the high level of security that we provide our passengers and visitors every day.
