Re: Legislation to be introduced

DFW INTERNATIONAL AIRPORT, Texas (May 25, 2005)

“Obviously, we’re very disappointed that two Congressmen are going to put at risk the economic engine of North Texas and the jobs of more than 250,000 men and women that are tied to this Airport, all to benefit one company.

Southwest could have the best of both worlds and fly out of Love Field and DFW today without an act of Congress.”
