Schedule Revisions

1. N/A

RFB Revisions

1. Appendix 1 – Bid Detail is revised as detailed below and replaced with the attached.
 - a. Paragraph 14) has been revised to acknowledge this Addendum No.1.
2. Appendix 6 – Bid Schedule has been revised as detailed below and replaced as posted on www.dfwairport.com/business/solicitations Bid schedule is revised to include the following changes:
 - a. Revise quantity of bid item 16, specification number 32 13 13-1 Concrete Pavement to 55 CY.

Solicitation Questions (Q) and Answers (A)

1. (Q) – Are the pumps being completely replaced?
(A) – Yes.
2. (Q) – How will the new pumps be fed and can the old conduits be reused?
(A) – See Sheet E102 Electrical Panel and Schematics, Notes 1 and 2.
3. (Q) – Section 1.01.B - Subsidiary items to the airport receiving station. Who supplies the Loop Detectors, Hose hanger assemblies, Bollards, electrical Panel and wiring, pipe supports and Galvanic Anode Cathodic Protection? We assume that Franklin Miller will only supply the control panels and the awarded contractor the other items. Please clarify who supplies each item.
(A) – See Specification 43 22 70 Airport Receiving Station issued via this Addendum.
4. (Q) – Section 2.06.C.1 - Calls for flow to be measured and recorded for each transaction which would require a flow meter. In previous discussions we omitted this because it was not required. There also is no flow meter shown on the contract drawings. Please advise if it is required.
(A) – See Specification 43 22 70 Airport Receiving Station issued via this Addendum.
5. (Q) – Can we use water filled Jersey Barriers?
(A) – Successful Contractor would follow Specification 01 25 13 Product Substitution Procedures and 01 25 13.01 Product Substitution Procedures Form to be submitted post award.
6. (Q) – Would DFW Airport consider an inline above ground “Muffin Monster” in lieu of the airport receiving station shown?
(A) – No.

7. (Q) – Is it acceptable to only demo what is in the way of the new work? Then fill the existing pit with CLSM?

(A) – No.

8. (Q) – We are concerned that heavy hydro hammering could cause fuel leaks at fuel island right next to site. Are we responsible for existing weakness in old fuel piping?

(A) – Successful Contractor shall follow Specification 02 41 13, Sheet G105 Enlarged Access and Staging Plan and Sheet G106 Hazardous Work Area for applicable safety protocols and unknown conditions.

Appendix 1 – Bid Detail

Contract No. 9500604 Terminal A South Triturator

- 1) This is a solicitation for bids on the construction of the project detailed in the contract documents of Appendix 5 – The Agreement. The Contractor shall be responsible for reviewing all existing conditions associated with the work prior to commencement of work activities.
- 2) The Board reserves the right to reject any bid for any reason, including if, on the face of the bid received, it is clear that acceptance of the bid would not comply with any applicable bidding laws, rules, or regulations.
- 3) The undersigned Contractor, declares that the only person or parties interested in this Bid as principals are those named herein; that this Bid is made without collusion with any other person, firm, or corporation; that he has carefully examined the Bid Requirements, all incorporated references and Appendices, and the conditions and classes of materials of the Work; and will provide all the necessary supervision, labor, machinery, tools, supplies, equipment, transportation and other facilities, apparatus, and other means of construction and will do all the Work and furnish all the materials called for by such, in the manner prescribed therein and according to the requirements therein set forth, and to perform all other obligations imposed by the Contract Documents for the prices named in the Bid Schedule hereinafter appearing.
- 4) It is understood and agreed that if awarded the Contract, the Work will commence within ten (10) calendar days after the date of the Notice to Proceed and that the total Work will be completed in accordance with the Schedule of Construction set forth herein.
- 5) It is further understood that the Prevailing Wage Rates TX180035 revised 01/05/2018, issued by the Department of Labor as established by law are to govern the Work. The Contractor certifies that he has examined the wage rate determination and that prices bid are based on compliance with said determination.
- 6) Accompanying this Bid is the required Bid Guaranty consisting of Bid Bond or Cashiers' Check in the amount of five percent (5%) of the total Bid, or in the case of bid alternates, five percent (5%) of the highest total Bid. The certified check accompanying a Bid shall be returned to the Contractor upon execution of the Contract.
- 7) In the event of the award of a Contract, the undersigned will deposit with the Board a Contract Performance Bond and a Payment Bond as required by the Contract Documents, guarantying faithful performance of the Contract, and any payment of all labor, materials and other sundry items, in accordance with the Contract Documents, and will deliver certificates of insurance evidencing insurance required by the Contract Documents.
- 8) The Work proposed to be done shall be fully completed and finished to the entire satisfaction of the Board.
- 9) The undersigned certifies that the price contained in this Bid has been carefully reviewed and is submitted as correct and final.
- 10) In conformity with the Special Provisions, the amount of liquidated damages for this Contract shall be as shown in Article 1.0, of the Special Provisions.
- 11) Ancillary/Integral Professional Services – Contractor certifies that in selecting an architect, engineer or land surveyor, etc., to provide professional services, if any, that are required by the specifications, Contractor shall not do so on the basis of competitive bids but shall make such selection on the basis of demonstrated competence and qualifications to perform the services in the manner provided by Section 2254-004 of the Texas Government Code.
- 12) Certification of compliance with the provisions of Section 2254-004 of the Texas Government Code:(initial here)_____

13) Certificate Regarding Debarment And Suspension – By submitting a bid/proposal under this solicitation, the Contractor or offeror certifies that at the time the Contractor or offeror submits its bid/proposal that neither it nor its principals are presently debarred or suspended by any Federal department or agency from participation in this transaction.

14) Receipt is hereby acknowledged of the following Addenda to the Contract Documents:

Addendum No. 1 Date Received	<u>04/19/18</u>	Ack. By	_____
Addendum No. 2 Date Received	_____	Ack. By	_____
Addendum No. 3 Date Received	_____	Ack. By	_____
Addendum No. 4 Date Received	_____	Ack. By	_____
Addendum No. 5 Date Received	_____	Ack. By	_____

15) Summary of Bid

a. **Base Bid** – Contractor agrees to construct **Contract No. 9500604, Terminal A South Triturator**, in accordance with the contract terms, plans and specifications and to complete the work within ninety (90) consecutive calendar days for substantial completion, with an additional sixty (60) consecutive calendar days for final completion, from the date set forth in the Notice to Proceed in accordance with the Bid Schedule and Unit Prices attached hereto, for the following amount:

BASE BID PRICE: _____
_____ DOLLARS and ____/100 \$_____.

Separate Cost Breakdown (for Tax Exemption Information)

Materials to be Incorporated	\$ _____
All Other Costs	\$ _____
Total Base Bid	\$ _____

16) The contract, if awarded, shall be to the lowest responsive, responsible Contractor whose bid, conforming with all materials terms and conditions of the invitation for bids, is the lowest in price.

17) When alternates are used, the Board reserves the right to Contract for any combination of Base and or Alternates stated, or none of the above. Contractor must bid on the base and all alternates. Bids addressing only the base or alternate items will be considered non-responsive.

18) The Contractor shall complete the following statement by checking the appropriate space.

- a. The Contractor has ____ has not ____ participated in a previous contract subject to the equal opportunity clause prescribed by Executive Order 10925, or Executive Order 11114, or Executive Order 11246.
- b. The Contractor has ____ has not ____ submitted all compliance reports in connection with any such contract due under the applicable filing requirements; and that representations indicating submission of required compliance reports signed by proposed subcontractors will be obtained prior to award of subcontracts.
- c. If the Contractor has participated in a previous contract subject to the equal opportunity clause and has not submitted compliance reports due under applicable filing requirements, the Contractor shall submit a compliance report on Standard Form 100, "Employee Information Report EEO-1" prior to the award of contract.
- d. Standard Form 100 is normally furnished contractors annually, based on a mailing list currently maintained by the Joint Reporting Committee. In the event a contractor has not received the form, he may obtain it by writing to the following address: Joint Reporting Committee, 1800 G Street, Washington, DC 20506.
