CLARIFICATION 2

Post Pre-Proposal meeting Q & A's

Re: Solicitation No. 7006633

Please be advised of the following clarifications to the above referenced Solicitation.

Q1- During the pre-proposal meeting, you stated the AODB Dictionary data base will be available. Can we get a copy of those data components?

A1- DFW Airport has published the AODB Dictionary data base in its entirety as a Zip File. Go to: DFWAIRPORT.COM under Solicitation Schedule 7006633 – Resource Management and look for the ZIP File Named AODB-DataDictionary and download it. For ease of opening the file you can use any browser (Chrome, IE, Firefox, etc.) to open the index.html file (the starting file). This is a zip file (an archive) with a folder structure. If you have the files in the right place, clicking on index.html using any browser will help you navigate through the various tables and their structure.

Q2- Regarding, 7- PROPOSAL FORMAT REQUIREMENTS, article 7.2.4.6, TITLED Tab Two (2) of the Solicitation– Relevant Information (10 Page Limit), on page 5. The 10 page limit seems quite low for a thorough response to all the points to respond to. Can we increase the page limitation?

A2- Answer- 7.2.4.6 Tab Two (2) – Relevant Information (10 Page Limit) has now been changed to a (25 Page Limit).

NOTE: A copy of this questions and clarifications shall be acknowledged by appropriate signature and attached to the submitted proposal.
