**Solicitation Questions (Q) and Answers (A)**

1. Clarification – This clarification corrects Addendum No. 2 question number 4 as detailed below

From:

(Q) Can the floor plan scope area for both of the concept designs be defined? Attached (exhibit 1 and 2) is an outline of the area included in the 3D scan that we assume to be included, but we would like to get this confirmed.

(A) The Primary Scope areas in green have been added to the attached layouts as your area of focus; however, should your concept have a broader area of coverage (which is acceptable), we ask that you please remain within the red “Do Not Exceed” lines (exhibits 3 and 4).
