

**QUESTIONS AND ANSWERS  
SOLICITATION NO. 7006750; FIRST AID CABINETS**

The DFW Airport (Airport) Procurement Department provides a report on questions received from potential bidders related to the above solicitation and the Airport's answers in order to provide a fair opportunity for all suppliers. The following Q&As include pertinent questions properly submitted before the deadline for questions. Please be advised that any answer herein will not constitute a change in the bid requirements. Any change to the bid requirements will be presented in a Solicitation Addendum.

1. **I noticed that you had listed First Aid Cabinets and a list of replenishment supplies for Class A and Class B cabinets. Do you want us to provide bid pricing on New Full Cabinets (A&B) as well as the individual replenishment items?**

**Yes.**

2. **You have listed ANSI Type 1 (qty 1) and Type 3 (Qty 3) Cabinets. I counted about 38 locations which would have an A or B cabinet. These would be a Type 1 cabinet (3 or 4 shelf metal cabinet). The Type 3 is a smaller vehicle kit, we call them a #26 vehicle kit. Will these be fully stocked new cabinets/kits or just the empty box?**

***The Airport is asking for pricing based on fully stocked cabinets.***
