1The Board may use the term “Consultant” in this RFQS to describe a Respondent that has been determined to qualify as an awardee of an Agreement.
privity of contract with Board, if it chooses to award an Agreement pursuant to this solicitation. Although the qualifications of a Respondent’s Subconsultants/Subcontractors may factor into Board’s evaluation of a Respondent’s qualifications because it reflects on a Respondent’s ability to bring qualified Subconsultants/Subcontractors to this transaction, a Respondent that may be awarded an Agreement pursuant to this solicitation is ultimately responsible for the qualifications of Subconsultants/Subcontractors it chooses to utilize to provide Services.

Procurement Phases: This procurement will be conducted in 3 phases as follows:

a) Responsibility/Responsiveness Phase – Each Respondent’s Qualifications Statement will be evaluated to determine whether it is responsive and each Respondent will be evaluated to determine whether it is responsible;

b) Qualifications Evaluation Phase – Each Respondent that is determined to be responsible and also whose Qualifications Statement is determined to be responsive will then be evaluated based upon qualifications. The Respondents will be ranked according to such evaluations from the most highly qualified provider of Services on the basis of demonstrated competence and qualifications to the least highly qualified; and

c) Negotiations Phase – Board will enter into negotiations with the highest ranked Respondent in an attempt to negotiate an Agreement at a fair and reasonable price. If negotiations are unsuccessful with the highest-ranking Respondent, Board will formally end such negotiations and enter into negotiations with the next ranked Respondent. This process will be followed until Board is able to successfully negotiate an Agreement or determines to cancel this solicitation. The Board reserves the right to award to one or more Respondents, and if to more than one Respondent, to award to the highest-ranking Respondents up to the desired number of contracts to be awarded by the Board.

4) Nature of Agreement(s) Anticipated for Award

a) Master Agreement/Delivery Orders – The type of Agreement that is anticipated to be awarded pursuant to this solicitation is a general services agreement for basic Services, as set forth in Appendix 4 – The Agreement, attached to this RFQS. The Agreement will serve as a “master agreement” for future Services, which will be provided through separately issued Delivery Orders. No Services will be provided independently under the Agreement; absent a Delivery Order for Services. The Agreement will set forth general contractual provisions applicable to any Delivery Order issued under it and will also establish basic negotiated terms concerning compensation.

b) Delivery Order Scopes – Each Delivery Order will include, among other things, a more detailed Scope of Services for the specific project and will include a project schedule and/or additional compensation terms based on those originally set forth in the Agreement.

c) No Obligation to Issue Delivery Order – Even if an award or multiple awards of an Agreement result during this solicitation, Board will be under no obligation to issue any Delivery Order to any successful awardee, once an Agreement with it is executed.

5) Board Selection Committee – Board intends to appoint a Selection Committee to evaluate Qualifications Statements received for this solicitation in accordance with Part 3 of this RFQS.

6) Minimum Qualifications – Each Respondent should have a minimum of 10 years’ experience in providing the Services at an airport, large municipalities or multistate type facilities with comparable requirements. This minimum qualification requirement does not apply to Subconsultants/Subcontractors.

7) Insurance Requirements – The insurance requirements applicable to any Agreement that may be executed pursuant to this solicitation are set forth on Appendix 4 – The Agreement to this RFQS.

8) Proposed Form of Agreement – A proposed form of Agreement that Board anticipates executing with a successful awardee is attached to this RFQS as Appendix 4 – The Agreement. The Agreement included in this RFQS is a Board form that it expects a successful awardee to execute. The Agreement does contain certain provisions that are drafted in blank that will be completed by Board if a successful awardee is identified (e.g. identification of Consultant Key Personnel or Subconsultants/Subcontractors, terms concerning compensation, etc.). However, the stated terms and provisions contained within the Agreement (requiring no modification as a result of the contents of an accepted Qualifications Statement) are not negotiable and any Qualifications Statement submitted that takes exceptions to the Agreement, proposes modifications to its language or otherwise attempts to change its content may be deemed non-responsive.

   d) Independent Consultant Sought – Board’s goal in this solicitation is to obtain an Agreement with a Respondent that is satisfactorily, in Board’s opinion, independent of current business relationships at the Airport.
   e) Potential Board Actions – Depending on the nature of Respondents participating in this solicitation and the information Board obtains in the Qualifications Statements, Board may determine that it is not in its best interests to further consider a specific Respondent’s Qualifications Statement because such Respondent (or its Subconsultants/Subcontractors, Affiliates or similar Persons) may have potential conflicts of interest as a result of existing contract or service relationships at the Airport.
   f) No Prohibition – Nothing in this RFQS prohibits any Person from participating in multiple Qualifications Statements (e.g. as a prime on one Qualifications Statement and as a Subconsultant/Subcontractor to a prime on another Qualifications Statement) or participating in other solicitations being conducted by Board.

Evaluation of Qualifications Statements

1) **Description of Evaluation Process** – This solicitation contemplates a multi-step process.
   a) First, all Qualifications Statements that are timely submitted will be reviewed for responsiveness and Respondents will be reviewed for responsibility.
   b) Second, if a Respondent is deemed responsible and its Qualifications Statement is deemed responsive, that Respondent/Qualifications Statement will advance to the Criteria Evaluation Phase. During the Criteria Evaluation Phase, Respondents will be ranked according to qualifications. The Criteria Evaluation Phase will be conducted in one or two steps: [i] initial evaluations based upon the content of submitted Qualifications Statements; and [ii] subsequent re-evaluations based upon interviews of Respondents, if Board chooses to conduct interviews. A re-evaluation after an interview will involve Board’s re-evaluation of a Respondent using the same evaluation matrix set forth in the table in the Clause entitled “Evaluation Form/Criteria” in which a member of the Selection Committee considers the contents of a submitted Qualifications Statement in light of the Respondent’s interview responses and any clarifications to its Qualifications Statement made during the interview.
   c) Third, Board will schedule a negotiation with the top-ranked Respondent for the purpose of attempting to negotiate a fair and reasonable price for the Services. If Board and the top ranked Respondent are able to successfully negotiate a fair and reasonable price for Services and Board otherwise determines that an Agreement will be awarded, the Agreement will be provided to the successful Respondent for execution. If Board and the top ranked Respondent are unable to negotiate a fair and reasonable price for the Services, Board will formally discontinue such negotiations and attempt to negotiate an Agreement with the next ranked Respondent. Board will continue this process until it is able to successfully negotiate an Agreement with a Respondent or, instead, determines it is in its best interests to cancel the solicitation.

2) **Initial Evaluation of M/WBE Component** – Board’s established M/WBE program goal for this solicitation is twenty-two percent (22%) (Refer to Appendix 1 - M/WBE Contract Provisions and Forms). A Respondent that does not demonstrate a commitment to meet or exceed the established goal or does not demonstrate a good faith effort to do so (as evaluated by Board’s Business Development & Diversity Department [“BD&D”]) will be deemed non-responsive and/or non-responsible (Good Faith Effort Plan documentation does not count against the page limit) and will not move into the Criteria Evaluation Phase of this solicitation.

3) **Interviews** – Board may conduct interviews of Respondents during this solicitation. Depending on the number of Qualifications Statements received by Board, it may: [i] decide to interview all Respondents before re-evaluating all of them; or [ii] because of the high number of Qualifications Statements received, it may decide to interview only a certain number of Respondents, based upon their initial rankings in the initial evaluation phase of this solicitation. Board will advise all Respondents how it intends to approach interviews once it receives and evaluates Qualifications Statements.
   a) Board realizes that the negotiation process contemplated by Texas Government Code Section 2254.004 requires potentially successive negotiations with Respondents in accordance with their rankings during the evaluation phase of this solicitation. If Board interviews and re-evaluates only some of the Respondents and is then faced with the need to negotiate with a Respondent that was not interviewed, it will interview and re-evaluate, as it deems appropriate, Respondents in the remaining pool of negotiation candidates and schedule negotiations according to the resulting rankings after those interviews. It is Board’s intent that any Respondent with which it negotiates with will have been interviewed, re-evaluated after the interview and ranked according to its overall evaluation score after its interview.
4) **Evaluation Form/Criteria** – All Qualifications Statements will be evaluated by an Evaluation Committee in accordance with the following Evaluation Form/Criteria:
