(b) The Administrator, or his designated representative, shall issue a receipt for any amounts paid under this paragraph. After presentation of the receipt, all amounts paid will be refunded to the person charged if the hearing officer, or a municipal court on appeal, finds that the person is not liable for the parking violation.

(c) Payment of the civil fine and any additional penalties and costs may be made in person or by mailing to the Airport Board the parking citation accompanied by payment of the amount shown on the citation. Payment by mail may be made only by money order, check, or in a manner prescribed by the Administrator or his
designated representative. Payment of the civil fine and all penalties and costs assessed pursuant to this section shall operate as a final disposition of the parking violation charge, except when payment is made to reset a scheduled hearing or to file an appeal.

SEC. 2-67. ADJUDICATION BY MAIL, ELECTRONIC MAIL, OR THROUGH THE ONLINE CITATION APPEAL SYSTEM.

(a) If a person charged with a parking violation shows good cause for not attending a hearing, either personally or through a representative, the hearing officer may permit the matter to be adjudicated by mail, electronic mail, or through the online citation appeal system, which adjudication must be completed within 90 calendar days of the date of the citation.

(b) Letters, memoranda, affidavits, photographs, and other documentary materials shall be admissible as evidence for the purposes of adjudication by mail, electronic mail or through the online citation appeal system. The hearing officer may exclude from consideration any material that is not relevant to the adjudication of the alleged violation.

(c) Failure of the person charged to proceed with an adjudication by mail, electronic mail or through the online citation appeal system, after requesting and receiving permission to adjudicate by mail, electronic mail or through the online citation appeal system, is an admission by the person charged of liability for the parking violation and shall subject the person who requested the adjudication by mail, electronic mail or through the online citation appeal system, to the appropriate civil fines, penalties, and costs assessed by the hearing officer.

(d) If a hearing officer determines that an adjudication cannot proceed by mail, electronic mail or through the online citation appeal system, the hearing officer shall advise the person charged by first class mail that the person must appear to answer the charge at a hearing.

(a) Every hearing for the adjudication of a parking violation charge under this section shall be held before a hearing officer.

(b) At a hearing, the parking citation is prima facie proof of its contents and the officer or other authorized person who issued the parking citation is not required to be present; except, that the issuing officer or other authorized person shall be present at a scheduled administrative adjudication hearing if requested by the person charged or by the hearing officer.

(c) At a hearing, the hearing officer shall hear and consider evidence presented by the Airport Board and by the person charged. The formal rules of evidence do not apply to a hearing under this section, and the hearing officer shall make a decision based upon a preponderance of the evidence presented at the hearing, after giving due weight to all presumptions and prima facie evidence established by this section or other applicable law.
(d) At the conclusion of an instanter or a scheduled administrative adjudication hearing, the hearing officer shall immediately render an order or decision, either by:

(1) finding the person charged liable for the parking violation, assessing the applicable civil fine and any penalties and other costs in accordance with this section, and notifying the person of the right to appeal to municipal court; or,

(2) finding the person charged not liable for the parking violation.

(a) The failure of any person charged with a parking violation to answer to the charge within 15 calendar days after the date of issuance of the parking citation or to appear at any hearing, including a hearing on appeal, when required to appear is an admission of liability for the parking violation, and the hearing officer, or the municipal court in the case of an appeal, shall issue an order of liability and assess against the person charged with the violation the appropriate civil fines, penalties, and other costs.

(b) Within 7 calendar days after filing an order of liability issued under this section, a hearing officer shall notify the registered owner or operator of the vehicle in writing of the order. The notice must be sent by first class mail to the last address of the registered owner on record with the Texas Department of Transportation, or to the address of the registered owner or operator last known to the hearing officer. The notice must include a statement:

SEC. 2-72.  REMOVAL OF IMMOBILIZATION DEVICE.

(a) The registered owner of an immobilized or impounded vehicle, or other authorized person, may secure the release of the vehicle upon:

(1) payment of the amount of the civil fine and late fees, if any, for each delinquent parking citation plus the applicable boot fees and/or towing and storage fees; or,

(2) the posting of a cash bond in the amount of such civil fines, late fees, boot fees and/or towing and storage fees to ensure appearance at the immobilization/impoundment hearing.

(b) Payment of the civil fines, late fees, boot fees, and any towing and storage fees shall constitute a waiver of the right to contest such civil fines and fees.

(c) It shall be unlawful for any person, other than an officer or employee of the Airport Board acting in the course and scope of his duties under this section, to remove or attempt to remove or to tamper in any manner with an immobilization device (boot) installed on any vehicle pursuant to this section.

(d) It shall be unlawful for any person, except under the direction of a peace officer, or an employee of the Airport Board to tow, move, or to cause to be towed or moved any vehicle on which a boot is then installed pursuant to this section from the place where it was booted.

(e) It shall be unlawful for any person, other than a peace officer or employee of the Airport Board acting in the course and scope of his duties, to remove or relocate any notice placed upon a booted vehicle under this section.

(f) An offense under this section shall be a criminal offense punishable upon conviction by a criminal fine not to exceed Five Hundred Dollars ($500). To the extent that any conduct declared to be unlawful under this section also constitutes a violation of an applicable state law, then it shall be punishable as provided by state law.

SEC. 2-73.  IMMOBILIZATION/IMPOUNDMENT HEARING.
(a) The registered owner of a vehicle that is immobilized or impounded for the purpose of enforcing a hearing officer’s order shall have the right to a prompt immobilization/impoundment hearing before a hearing officer.

(b) The request for an immobilization/impoundment hearing must be made in writing to the Administrator, or his designated representative, on a form provided for that purpose, within 3 calendar days from the date the vehicle was immobilized or impounded, whichever occurred first.

(c) An immobilization/impoundment hearing must be held within 48 hours after the Administrator, or his designated representative, receives the request for a hearing, excluding Saturdays, Sundays, and Airport Board holidays, at the parking adjudication office or at such other convenient and reasonable place as the hearing officer may designate.

(d) The issue to be determined at the immobilization/impoundment hearing is whether the immobilization or impoundment of the vehicle was authorized by this section.

(e) The immobilization or impoundment of a vehicle is valid if it complies with the requirements of this section, unless the vehicle owner or operator, or agent of the vehicle owner or operator, can establish that:

   (1) the vehicle was registered to or operated by another person at the time the unresolved parking violations occurred;

   (2) the vehicle was being operated without the owner’s express or implied consent at the time the unresolved parking violations occurred;

   (3) through no fault of the owner, notice of the unresolved parking violations was never received as required by this section;

   (4) one or more citations for the unresolved parking violations are defective and, if dismissed, would leave no more than two unresolved parking violations within the calendar year; or,

   (5) at the time of immobilization or impoundment of the vehicle, the registered owner had no more than two unresolved parking violations within the calendar year.

(f) The determination of the hearing officer at the immobilization or impoundment hearing is final and is not subject to appeal.

(g) If the hearing officer determines that immobilization or impoundment of a vehicle was not valid, all fees paid for immobilization, towage, storage, and impoundment of the vehicle and any other amount paid to redeem the vehicle shall be refunded, including any civil fines, penalties, and costs for any parking violation that the hearing officer determines should not have been considered in counting parking violations for the purposes of immobilizing or impounding the vehicle. Any civil fines, penalties, and costs paid for a parking violation for which the registered owner was liable will not be refunded.
SEC. 2-74. APPEAL FROM HEARING.

(a) A person determined by a hearing officer, at either an instanter or scheduled administrative adjudication hearing or by failure to answer a parking citation or appear at a hearing in the time required, to be liable for a parking violation may appeal this determination to the municipal court by filing a petition within 30 calendar days after the hearing officer’s order is filed with the Administrator or his designated representative.

(b) Upon receipt of an appeal petition, the municipal court clerk or deputy clerk shall schedule an appeal hearing and notify all parties of the date, time, and location of the hearing. The officer or other authorized person who issued the parking citation is not required to be present at the appeal hearing unless requested by the person charged or by the municipal court.

(c) The appeal hearing must be a trial de novo in municipal court and is a civil proceeding for the purpose of affirming or reversing the hearing officer’s order. The decision from the municipal court is final.

(d) Service of notice of appeal under this section does not stay the enforcement and collection of any order of a hearing officer, unless the person filing the appeal pays to the Administrator, or his designated representative, an amount equal to all civil fines, penalties, and costs assessed against the person charged. The Administrator, or his designated representative, shall issue a receipt for any amounts paid under this subsection. After presentation of the receipt, all amounts paid will be refunded if the hearing officer’s order is overturned on appeal.
