Travel Easier

DFW International Airport strives to make air travel as convenient as possible while assuring the security of everyone who passes through our gates. Terminal curbsides are available for passenger drop-off and pick-up, however unattended vehicles will be towed.

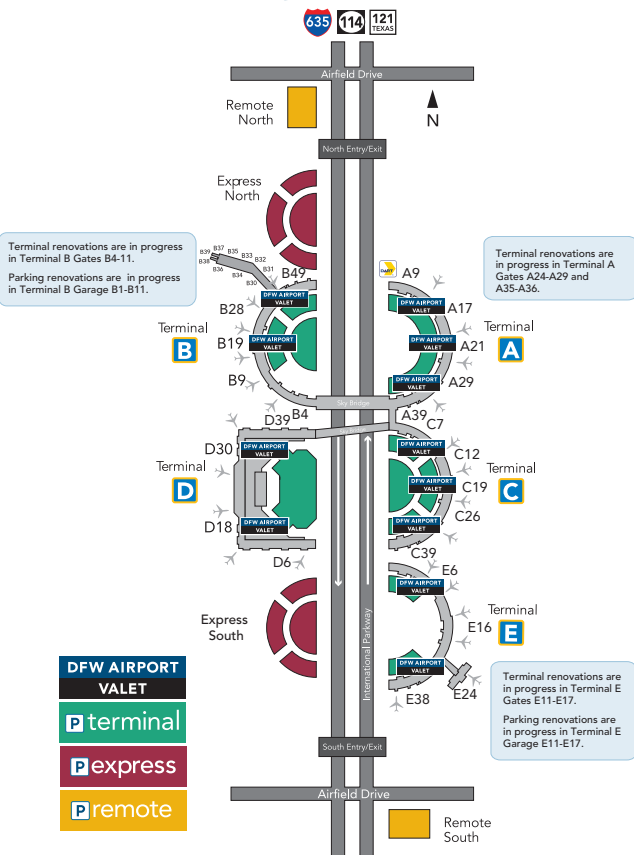

To avoid unnecessary delays, DFW encourages you to:

- Check in 1-1/2 to 2 hours ahead of your scheduled flight or check with your airline for its recommendation.
- Contact your airline regarding the availability of curbside luggage check.
- Remember that only ticketed passengers are allowed through security.
- Pack knives, scissors and all sharp objects in checked luggage. These items are not allowed past security.
- Carry on as few items as possible. The FAA limits each passenger to one carry-on item and one personal item.
- Do not leave luggage unattended.
- Have U.S. government-issued photo identification or passport ready.
- Check dfwairport.com for parking availability and flight information before heading to the Airport.
