

Christopher A. Poinatte
Executive Vice President
Chief Financial Officer
Dallas Fort Worth International Airport

Christopher Poinatte was appointed Executive Vice President-Chief Financial Officer for the Airport in September 2003. Mr. Poinatte is responsible for business and financial planning, budgeting, accounting, information systems, debt financing, treasury and federal funding.

Mr. Poinatte has spent about half of his career in the private sector and half in the government sector. Prior to joining the Airport, he was the Chief Financial Officer of NextJet Technologies, Inc., a start-up transportation management and logistics software company located in Dallas. Before that position, he served as the Chief Financial Officer for the Dallas Area Rapid Transit (DART) where he developed DART's \$2.9 billion financing program for its capital expansion program.

Mr. Poinatte is a graduate of the University of Notre Dame and a Certified Public Accountant in Texas.
