### CATEGORY: Snack

A portion of food, often smaller than a regular meal, that is freshly prepared. Should be served quickly and can be eaten on-the-go.

### Concept Description:

This concept must be an established local and/or national brand. The location will feature an assortment of freshly-prepared sweet snacks that are cooked on the premises. The dominant product line may be cookies, pastries, cupcakes, or other freshly prepared baked goods. Product samplings may be considered when conducted within the lease space.

### Minimum Requirements:

1. An assortment of freshly prepared sweet snacks.
2. The items can be offered for immediate consumption or packaged for take away.
3. Non-alcoholic beverages
4. The location should also provide staff with the ability to conduct sales transactions using hand-held credit-card processing devices or other form of technology to ensure speed of service.
5. The design must take advantage of product displays to draw customers into the store.
6. Frozen treats will not be permitted.

**Design Requirements:**

1. All existing finishes should be replaced with new finishes. The storefront openings should be modified to match the LOD. The electrical service location may need to be relocated to accommodate the new layout and/or comply with applicable codes. Existing electrical HVAC equipment and other infrastructure may be utilized if adequate for new concept, and in good working order. The design should be unique and inviting and should have an iconic appeal. Design of the space should reflect a bold theme with a contemporary aesthetic that generates national appeal.

2. Display of the products should be appetizing and appealing.

3. This location may not be available until early 2019.

4. Refer to the Tenant Design Manual.

**CATEGORY: Snack**

A portion of food, often smaller than a regular meal, that is freshly prepared or prepackaged. Should be served quickly and can be eaten on-the-go.

**Concept Description:**

This concept should be an established local and/or national brand. This location is a satellite location, no cooking on premises. The location will feature an assortment of freshly-prepared sweet snacks that are cooked on the premises. The dominant product line may be cookies, pastries, cupcakes, or other freshly prepared baked goods.

**Minimum Requirements:**

1. An assortment of freshly prepared sweet snacks.
2. The items can be offered for immediate consumption or packaged for take away.
3. Non-alcoholic beverages
4. The location should also provide staff with the ability to conduct sales transactions using hand-held credit-card processing devices or other form of technology to ensure speed of service.
5. The design must take advantage of product displays to draw customers into the store.
6. Frozen treats will not be permitted.

Design Requirements:

1. All existing finishes should be replaced with new finishes. The storefront openings should be modified to match the LOD. The electrical service location may need to be relocated to accommodate the new layout and/or comply with applicable codes. Existing electrical HVAC equipment and other infrastructure may be utilized if adequate for new concept, and in good working order. The successful proposer will need to add water and sanitary sewer. The design should be unique and inviting and should have an iconic appeal. Design of the space should reflect a bold theme with a contemporary aesthetic that generates national appeal. Tenant will be responsible for bringing some utilities to the space from nearest tie-in point which may be outside of the LOD.
2. Display of the products should be appetizing and appealing.
3. Refer to the Tenant Design Manual
