

Submission Date					Submission Milestone (select one)	Schematic Design	Design Development	Construction Documents	Construction Phase		
DFW Project Identification #					Sustainability Liaison (submission completed by)						
Project Name					Submission Verified by: (name and project role)						
Project Track (select one)	Infrastructure	Interior Minor Renovations	Major Renovation	New Facility	Date of Previous Submissions:						
Credit	GBS Checklist Track Required/Optional				SCHEMATIC DESIGN PHASE				DESIGN DEVELOPMENT	CONSTRUCTION DOCUMENTS	CONSTRUCTION PHASE
	Infrastructure	Interior Minor Renovation	Major Renovation	New Facility	Identify Sustainable Design Opportunities (update checklist with any changes, mark with "x")				Implement Opportunities (if the design team cannot implement a required credit, an explanation must be provided)	Provide narrative, drawing, or specification reference	Verify Sustainable Construction (Narrative, tracking, monitoring and compliance)
					Yes	Maybe	No	n/a			
DFW Baseline Credits											
DFW 1	Green Meetings	R	R	R	R						
DFW 2	Integrated Design Meetings	R	R	R	R						
DFW 3	Sustainability Liaison	R	R	R	R						
DFW 4	Water Management Plan	R	R	R	R						
DFW 5	Energy Management Plan	R	R	R	R						
DFW 6	Material Sustainability	R	R	R	R						
DFW 7	Acoustics and Noise	R	R	R	R						
DFW 8	Sustainable Construction Management Plan	R	R	R	R						
DFW 9	Innovation Considerations	R	R	R	R						
Requirements based on LEED v4											
Location and Transportation											
Credit	Sensitive Land Protection	O	O	O	O						
Credit	Surrounding Density and Diverse Uses	O	O	O	O						
Credit	High Priority Site	O	O	O	O						
Credit	Access to Quality Transit	O	O	O	R						
Credit	Bicycle Facilities	O	O	O	R						
Credit	Green Vehicles	O	O	O	R						
Credit	Reduced Parking Footprint	O	O	O	O						
Sustainable sites											
Prerequisite	Construction Activity Pollution Prevention	R	R	R	R						
Prerequisite	Site Assessment	R	R	R	R						
Credit	Site Development- Protect or Restore Habitat	R	O	O	R						
Credit	Open Space	O	O	O	O						
Credit	Rainwater Management	R	O	R	R						
Credit	Heat Island Reduction	R	O	R	R						
Credit	Light Pollution Reduction	R	R	R	R						
Water Efficiency											
Prerequisite	Outdoor Water Use Reduction	R	R	R	R						
Prerequisite	Indoor Water Use Reduction	O	R	R	R						
Prerequisite	Building-Level Water Metering	O	O	R	R						
Credit	Outdoor Water Use Reduction (50% reduction)	R	O	R	R						
Credit	Indoor Water Use Reduction	O	O	R	R						
Credit	Cooling Tower Water Use	O	O	O	O						
Credit	Water Metering	O	O	O	O						
Energy and Atmosphere											
Prerequisite	Fundamental Commissioning and Verification	O	R	R	R						
Prerequisite	Minimum Energy Performance	R	R	R	R						
Prerequisite	Building-Level Energy Metering	O	O	R	R						
Prerequisite	Management	O	R	R	R						
Credit	Optimize Energy Performance	O	O	R	R						
Credit	Advanced Energy Metering	O	O	O	O						
Credit	Demand Response	O	O	O	O						
Credit	Renewable Energy Production	O	O	O	R						
Credit	Enhanced Commissioning	O	O	R	R						
Credit	Enhanced Refrigerant Management	O	O	O	O						
Credit	Green Power and Carbon Offsets	O	O	O	O						
Materials and Resources											
Prerequisite	Storage and Collection of Recyclables	O	R	R	R						
Prerequisite	Construction and Demolition Waste Management Planning	R	R	R	R						
Credit	Building Life-Cycle Impact Reduction	O	O	R	O						
Credit	Building Product Disclosure and Optimization - Environmental Product Declarations	R	R	R	R						
Credit	Building Product Disclosure and Optimization - Sourcing of Raw Materials	O	O	O	O						
Credit	Building Product Disclosure and Optimization - Material Ingredients	O	O	O	O						
Credit	Construction and Demolition Waste Management	R	R	R	R						
Indoor Environmental Quality											
Prerequisite	Minimum Indoor Air Quality Performance	O	R	R	R						
Prerequisite	Environmental Tobacco Smoke Control	O	R	R	R						
Credit	Enhanced Indoor Air Quality Strategies	O	O	R	R						
Credit	Low-Emitting Materials	O	R	R	R						
Credit	Construction Indoor Air Quality Management Plan	R	R	R	R						
Credit	Indoor Air Quality Assessment	O	R	R	R						
Credit	Thermal Comfort	O	O	R	R						
Credit	Interior Lighting	O	R	R	R						
Credit	Daylight	O	O	O	R						
Credit	Quality Views	O	O	O	R						
Credit	Acoustic Performance	O	O	O	O						
Innovation and Design Process											
Credit	Innovation in Design: Specific Title	O	O	O	O						
Credit	LEED Accredited Professional	O	O	O	R
